### **CATALINA 375**

De Vaart Yachting will present at the upcoming Southampton Boat Show the Catalina 375.

---

**Catalina 375**  
**2009 Boat of the Year**

Best All-Purpose  
Cruiser

Catalina Yachts launched the Catalina 375 in 2009. A fresh new design, with characteristics of the old Catalina 36 and incorporating the best features found on all of Catalina's latest models.

Virtually every system in this yacht has been reviewed and optimized for improved performance, efficiency and owner maintenance.

The new 375 has a sculpted, contemporary and functional low profile deck and a stable performance hull form. High quality hardware and offshore capable rigging complements a substantial sail plan with in-mast furling main and vertical battens. Twin backstays balance the powerful rig, creating an unobstructed "California size" cockpit.

A single side control traveler and inboard sheeting for overlapping genoas makes sail handling easier. Wide weather decks allow easy access forward and aft, and there is enough room in the anchor locker for two rodes and gear.

Deep lockers aft leave plenty of space for optional a/c and generator. The transom extends seamlessly to the waterline for increased structural integrity. Catalina's classic stern seats are integrated into the stern pulpit, along with an easy access outboard motorbracket. A standard 2.08m fin keel is lead (not cast iron), or 1.42m wing keel allows gunkholing just about anywhere.

Enter the 375's spacious open interior through hinged bi-fold companionway doors. There's solid teak trim in the classically symmetrical main cabin with traditional port and starboard cabinets. The Lonseal non-skid sole keeps maintenance underfoot to a minimum.

There are plenty of drawers with storage under the seats, a large hanging locker, plus shelved lockers throughout. A game table converts to a settee or berth, and the functional, well-designed galley has a self-contained stainless refrigerator, large dry locker, insulated compartment for optional refrigeration and solid surface counters.

An extra large head adjacent to the owner's cabin has a big circular shower and a gravity drain waste system. Inner spring mattresses are fitted in both cabins, fore and aft.

Owners will find generous tankage for water, fuel and waste

For more than 40 years, Catalina's unwavering dedication to building well-designed, durable, family oriented boats has resulted in long production runs where each model is improved and refined. A commitment to owner satisfaction has enhanced customer confidence and loyalty insures Catalina's position as the leading, exclusively sailboat builder in the United States with manufacturing facilities on both east and west coasts.

*Catalina 375 Principal Dimensions\**

<b>Length Overall</b>		11.73 m	38' 6"
<b>Length of Hull</b>		11.38 m	37' 4"
<b>Length at Waterline</b>		10.49 m	34' 5"
<b>Beam</b>		3.96 m	13' 0"
<b>Draft</b>	Fin Keel	2.08 m	6' 10"
	Wing Keel	1.42 m	4' 8"
<b>Ballast</b>	Fin Keel	2,359 kg	5,200 lbs
	Wing Keel	2,812 kg	6,200 lbs
<b>Approximate Weight</b>			
	Fin Keel	7,031 kg	15,500 lbs
	Wing Keel	7,484 kg	16,500 lbs
<b>Engine</b>	Diesel	3 cylinder	40hp
<b>Rated Sail Area</b>	Standard Rig		
(100% foretriangle)		14.51 m <sup>2</sup>	666 sq.ft.
<b>Rig Dimensions</b>			
<b>I</b>		14.51 m	47' 7"
<b>J</b>		4.50 m	14' 9"
